North West Nuclear Apprenticeship Programme NWNCAP

How Transferring of funds work

Sellafield Ltd. Apprentice Levy £2.9m per annum.

Employers who pay the apprenticeship levy can use up to 25% of their annual levy fund to support employers who want to employ an apprentice.

Transferred levy funds can only be used to pay for the training and assessment cost of the apprenticeships agreed with the receiving employer.

North West Nuclear Apprenticeship Scheme concept.

- 50 apprentices funded yearly
- Demand for programme will be market led, addressing local needs.
- Lowering unemployment by providing skills needed in local job market.
- Skills for Nuclear not Nuclear skills.
- Level 2 Apprenticeship Standard focus
- Supporting growth of SMEs.

Strategic Fit & wider benefits

- The NWNCAP is aligned to the Nuclear Sector Deal (NSD) and the strategic plan of the Nuclear Skills Strategy Group (NSSG). The creation of apprenticeships within the nuclear sector is a key priority for the NSSG and the NWNCAP is included in the strategic delivery plan as one of the key skills interventions.
